AN OUTDOOR ART & MUSIC EXPERIENCE BY

924 N PENNSYLVANIA STREET, SUITE B | INDIANAPOLIS, IN 46204
317-275-1169 | THECABARET.ORG

WHAT IS THE ALLEY?

The Alley (created in collaboration with Indy Arts Council and Buckingham Companies) is an outdoor community gathering space where guests can experience live music and art in a casual setting. We've also expanded the experience to include arts vendors, dancing, outdoor games, and more – creating a festival-like atmosphere. The metal palasades and bright playful mural (both created by Indy-based artists) serve as a vibrant backdrop for an equally vibrant array of performances – including jazz, soul, blues, spoken-word, hip-hop, salsa, and more, all of which are part of a series we call The Alley Sessions!

Oh, by the way: all Alley performances are free to attend.

That means you'll have some extra cash to spend on cocktails and light bites, available at the walk-up bar that The Jazz Kitchen has on-site in The Alley.

Guests are encouraged (but not required) to make reservations if they want to be seated at a table, as table space is limited. Or hey, if reservations are full, bring a lawn chair and sit wherever you like – we're not picky!
